The **Averett University Equestrian Club** is pleased to present the fourth annual Education Day for our community and the surrounding areas. This day is for you, your friends, family and your children. We will have **demonstrations** by our program's students and regional experts. There will be **workshops** for both adults and kids to learn more about horse care. This year the **kids center** will feature games as well as arts and crafts (Parents, you can play too!). **Admission is \$5/person** and **goodie bags will be given on a first come first serve basis**. Tables are available for \$10/day for groups or individuals who would like to sell their used equipment and/or supply information on their facilities/programs. Contact Ginger Henderson by March 15th to reserve your table.
