

# Horses Needed!

The Interscholastic Equestrian Association Region 3 Finals, held at Liberty University on March 11, 2023 is looking for horses to rent for their one day event.

We are looking for:

- Horses or Ponies
- First Level and below
- W/T only horse/ponies also welcome
- Lesson horses
- Horses must be sane/safe and serviceably sound but do not need to be strictly dressage horses

Horses are offered free stabling at Liberty University for the night prior and day of competition. Owners are invited to spend the day with us and our riders will assist with horse care. Dressage legal tack is required, owners can provide their own or the university/IEA can provide. Owners are compensated for time/horse use based on travel distance
